On the banks of the Yarra in Melbourne's CBD, 1 Hotels & Homes is a nature-led sanctuary where sustainability meets design. Its striking glass façade reflects the river's changing character, while light, greenery, and local art bring the outdoors in. Built around the restored Good Shed No.5, the hotel embodies wellness and environmental care, holding Silver LEED certification (Gold pending). With river walks, 3,500m² of parkland, and the CBD free tram at its door, guests are moments from Marvel Stadium, the Convention Centre, shopping, dining, theatres, and Federation Square.
