

# Jervis Bay, Sydney, Melbourne, Gold Coast Rates 2023

This is a quick reference and are indicative rates.

Dear all partners

13/2/2023, the Year ahead.

As you have all seen, with Covid, floods, staff shortages, inflationary pressures on food, staff, gas and electricity costs most suppliers have chosen to hold rates- but reserve the right to change rates with appropriate notice should our world and economy turn for the worse again. We do believe through 2023 things should improve, so we all hope for minimal changes as markets continue to develop.

Please use this sheet as indication only, all rates and confirmation are direct via the respective products.

Thank you all for your support of Discover Jervis Bay and Sydney Hotels and Attractions.

Matt
